Dear Mr. Johnson:

On November 28, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether a letter carrier is entitled to verify mail count.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Normally, a spot verification of the mail volume is adequate to determine that the mail count is accurate. However, the parties agree that based on the intent of Section 221.131 of the M-39 Handbook, the carrier may, upon request, verify the entire mail count.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Leslie Bayliss
